CV e shkurtër

Akademik Illirjan Malollari ka lindur ne 28.09.1956 në qytetin e Korçës ku kreu studimet 8-vjeçare, më pas kreu shkollën e mesme teknologjike në Tiranë, ndjekur nga studimet universitare në degën e Kimisë Industriale, të Fakultetit të Shkencave të Natyrës, Universiteti i Tiranës (1975-1980). Pas diplomimit ai emerohet për kryerjen e stazhit ne Laboratorin Qendror te Kimise ne Tirane (1981), ku realizoi edhe punimin e diplomës. Më pas (1982-1987) emërohet të punojë në një kombinat të sintezës dhe prodhimit kimik Elbasan, ndërsa në periudhën 1987-1988 kreu specializimin me kohë të plotë të Inxhinierisë Kimike, në përfundim të të cilit për rezultatet e shkëlqyera, emërohet pedagog pranë departamentit të Kimisë Industriale, Fakulteti i Shkencave të Natyrës qysh prej vitit 1989, ku vazhdon të punoje edhe sot. Gjithashtu ai kryen funksionin e përgjegjësit të grupit mësimor e shkencor në Inxhinierinë e Proceseve Kimike qysh nga themelimi i drejtimit te studimeve Master Shkencor në Inxhinierinë e Proceseve Kimike. Profesor Malollari është anëtar i Akademisë së Shkencave të Shqipërisë prej viti 2009 si anëtar i Asocijuar dhe me pas ne 2020, si anëtar i rregullt i Asamblesë së Akademisë së Shkencave të Shqipërisë me titullin “Akademik”. Atij i është akorduar “Medalja e Punës” nga Kuvendi Popullor me motivacionin “Për futjen e të rejave të shkencës në prodhim”.

Me punën këmbëngulëse akademike (pedagogjike e shkencore) Profesor Illirjan Malollari ka udhëhequr dhjetëra diploma studentësh të nivelit Master Shkencor brenda dhe jashtë vendit, disa dizertacione për gradën Doktor i Shkencave (mbi dhjetë teza), dhe është autor i mbi 25 teksteve shkencore Universitare, mbi 10 monografi, 15 raporte teknike e komunikime shkencore, dhe ka prezantuar e publikuar mbi 400 artikuj shkencorë brenda dhe jashtë shtetit si dhe ka marrë pjesë dhe referuar në dhjetëra konferenca dhe Kongrese kombëtare e ndërkombëtare.

Në rendin kronologjik mund të përmenden etapat e diplomimit dhe fitimit të gradës dhe titujve akademikë:

- Diplomë në Kimi Industriale, Fakulteti i Shkencave të Natyrës, Universiteti i Tiranës (1981);

- Kandidat i Shkencave në Inxhinieri Kimike, Fakulteti i Shkencave të Natyrës, Universiteti i Tiranës (1992);
- Doktor i Shkencave në Kimi Industriale, Fakulteti i Shkencave të Natyrës, Universiteti i Tiranës (1993);
- Profesor i Asociuar në Kimi Industriale (1997);
- Profesor në Kimi Industriale (2002);
- Akademik i Asociuar në Akademinë e Shkencave të Shqipërisë (2009);
- Akademik dhe anetar i rregullt i Asamblese së Akademisë së Shkencave të Shqipërisë (2020);

Lendet Mesimore me Leksione në Universitetin e Tiranës dhe Universitete të tjera:

- ✓ Projektimi i proceseve dhe impianteve I+II, Master i Shkencave në Inxhinieria e Proceseve Kimike;
- ✓ Simulimi i proceseve dhe optimizimi, Master II, i Shkencave në Inxhinieria e Proceseve Kimike;
- ✓ Modelimi dhe Simulimi i Proceseve, Master II, i Shkencave në Kimi Industriale dhe Mjedisore
- ✓ Modelimi matematik dhe fizik i proceseve në Inxhinierinë Kimike, Master I, i Shkencave në Inxhinieria e Proceseve Kimike;
- ✓ Inxhinieria e Perpunitit të ushqimeve, Master Shkencor I, Universiteti Bujqësor i Tiranës;
- ✓ Proceset Bioteknologjike të Industrisë Ushqimore, Master Shkencor I, Universiteti Isa Boletini, Mitrovicë, Kosovë;
- ✓ Bioteknologjia e Proceseve ushqimore, Master Shkencor II, Universiteti Isa Boletini, Mitrovicë, Kosovë;
- ✓ Bioteknologjia, Master Shkencor I, Inxhinieria industriale, Universiteti European i Tiranës.

Në karrierën e tij profesionale Profesor Malollari ka përgatitur mbi 10 monografi shkencore, mbi 25 tituj tekste mësimore të përgatitura prej tij dhe me bashkautorësi kolegësh, mbi 6 cikle leksionesh të lëndëve të Inxhinierisë fundamentale dhe të aplikuar.

Ai zotëron njohuri të digjitalizimit dhe aftësi në shkencat kompjuterike, njeh mirë gjuhët e programimit BASIC, FORTRAN, dhe është i familjarizuar me sistemet e shfrytëzimit OFFICE, LOTUS, Write Processors, STATS, ASPEN TECH, DATABASES, Engineering Microsoft's etc. ASPEN PRO, HYSYS, CHEMCAD, PROCESS ENGINEERING SUITE etj.

Fushat e interes të tij profesional janë: Modelimi, Simulimi dhe Optimizimi i proceseve kimike dhe biokimike; Trajtimi agro-ushqimor, teknologjitë dhe inxhinieria e perpunitit të ushqimeve; Kontrolli i ndotjeve mjedisore dhe projektimi i proceseve të trajtimit të mbetjeve e shkarkimeve urbane dhe industrial (të gazta, të lëngëta dhe të ngurta); Impjante prodhimi industrial kimik, ushqimor, farmaceutik, polimeresh (plastik, goma detaje teknike etj.); Kontrolli dhe rregullimi automatik i proceseve industriale; Inxhinieria e reaksioneve Kimike dhe reaktorët kimikë e biokimikë (bioreaktorët); Bioenergji dhe alternative të tjera të energjisë së ripërtëritshme; Biokarburantet e lëngshëm të gjeneratës së dytë dhe të tretë; trajtimi dhe konsolidimi i tokave me metoda moderne të desertifikimit (kristalizim-precipitim) etj.

Prof. Malollari zotëron disa gjuhe të huaja në nivele të ndryshme si gjuhë pune me materiale shkencore dhe aftësi komunikimi verbal dhe me shkrim artikujsh, raportesh teknike si dhe prezantime në anglisht, frengjisht dhe greqisht: shumë mirë, ndërsa në rusisht dhe italisht – mirë.

Illirjan Malollari është anëtar dhe bën pjesë aktive në disa asociacione, shoqata dhe organizma profesionale të huaja dhe vendase, gjithashtu ai është anëtar i shumë bordeve editorial të disa revistave shkencore autoritare në nivele të larta.

Vazhdon të jetë President i Shoqatës së Kimistëve Shqiptarë qysh prej më shumë se 20 vitesh; zv. President i MESAEP (Mediterranean Scientific Association of Environmental Protection), Anëtar i Akademisë Ndërkombëtare të Shkencave Mjedisore, kryetar i Byrosë Kombëtare të Asociacionit Ballkanik të Mjedisit (BENA), Anëtar i IUPAC (Union of Pure and Applied Chemistry); Anëtar i FECS (Federation of European *Chemical Societies*), etj.

Profesor Malollari ka marrë pjesë në projekte kombëtare dhe ndërkombëtare me status të ndryshëm qysh nga anëtar partner, ekspert e deri në koordinator në më shumë se 30 projekte me përfitim shkencor, dhe institucional në shumta të konsiderueshme financiare.

Prof. Malollari ka numrin ORCID: <https://orcid.org/0000-0003-4228-9095> dhe faqen personale: <https://sites.google.com/a/fshn.edu.al/departamenti-i-kimise-industriale/personelli/profdr-Illirjan-Malollari>

PARTICIPATION IN INTERNATIONAL PROJECTS

1. Bilateral Project Albania-Greece 2001- 2003 titled: "Minerals fouling of heat exchangers Scale formation and elimination", www.mash.gov.al/ministria_eng/kerkimi_shkencor/proj_grek.html
2. Bilateral Project Albania-Greece 2003- 2005 titled : "Phosphorus recycling from waste waters and assessment".www.gsrt.qr/default.asp?FILE=items/2587/149 (Coordinator)
3. Bilateral Project Albania -Italy 2001- 2005 titled: " Innovation Technologies for the rural Integrated and Sustainable Developments Strategy"(Coordinator)
4. Expertise in the International Project "Assessment and monitoring of the phosphorous and nitrates originated from agriculture activity, at the Ohrid and Prespa lakes watershed" Project of GTZ-se 2003-2004.
5. "BIOINDUSTRIAL – Case Study based approach for the development of industrial biotechnologies through benchmarking", applied recently within FP6 Programmes (2004-2005).
6. " DRIMPOL Discharges from wastewater treatment plants (WWTPs), sewerage and losses from households not connected to public sewer", Actually full actor of this Norwegian- GTZ Projects.(2004-2006)
7. "State of the Art and rehabilitation actions of the natural eco-system in the industrial explosive contaminated zone"(REC Support 2004-2005)
8. Bilateral Project Albania-Greece 2005-2007: Soil consolidation: novel methodology using in situ precipitation of sparingly soluble salts, Forth, Koutsoukos Peter, Tirana University, " Projekti dypalësh me Greqinë: "Përmirësimi i përbërjes së tokës: aplikimi i metodologjive të reja duke përdorur precipitimin e kripërave të patretshme" Afati: 2005-2007; referenca: Protokolli me Greqinë, nr. 24 www.gsrt.qr/default.asp?FILE=items/4360/149 Coordinator: Ilirjan Malollari
9. Bilateral Project Albania -Italy 2005- 2007 titled: Tematika ambientale: Zhvillime dhe aplikime të materialeve të reja inteligjente të të bazuara në njohuritë.Kurse të trainimit dhe informimit .Expert participation
10. Bilateral Project Albania -Italy 2005- 2007 titled: : Prodhimi i energjisë nga biomasa dhe mbetje të tjera organike, nëpërmjet një procesi efektiv dhe me ndikim të ulët në mjedis (Coordinator : Ilirjan Malollari).

11. Bilateral Project Albania-Macedonia 2006-2008: “Menaxhimi i riciklimit të materialeve plastike: zgjedhja e modelit më të përshtatshëm për vendet e Ballkanit Perëndimor”, Expert participation
12. Bilateral Project Albania-Greece 2005- 2007 titled: “Modeling of the structure and dynamics of networks”, Expert participation Numri (kodi) i projektit: aa5830
13. Bilateral Project with Macedonia: 2007-2009 Polymer plastics recycling management: selection more suitable model for Balkan Countries.
14. National Research and Development Project: *Establishing an optimal structure of management and pilot experimentation of agroforestral biomass treatment for energy: 2007-2009*
15. National Research and Development Project *Plastics recycling management: Menaxhimi i riciklimit të materialeve plastike: selection of the most suitable model for Albania and integration with other Balkan Countries: 2007-2009;*
16. World Bank Project for the Programm Quality and Equity in Education 2007-2009: “Construction of a model experimental laborator of Chemical engineering, for new trends of development of Education of new specialist”
17. New application within: SOUTH-EAST EUROPE: “Novel Mitigation Techniques & Risk assessment of Pollution in Organically Contaminated Soils (Greece, Bulgaria, Slovenia, Serbia) 2010-2012
18. New application within: SOUTH-EAST EUROPE: “Biodiversity and Ecosustainability of natural and modified marine habitat: transnational proposal for an integrated management ” (Bulgaria, Italy, Slovenia, Croatia, and Montenegro) 2010-2012
19. TEMPUS PROJECT ETF-JP-00295-2008 (AL2) Improvement and Establishment of Biotechnology in Higher Education (2009-2011) Partner
20. TEMPUS PROJECT “DEMED” 144677-TEMPUS-2008-IT-JPCR 2007-2009 Teaching Curricula in HE, Partner
21. CIRCLE – CLIMBIOMEDNET- Climate change influence on biodiversity, goods and services of Mediterranean Lagoons, 2009-2011 Partner
22. Member of CEMSA Project Steering Committee
EU – IPA CEMSA PROJECT : ‘CONSOLIDATION OF THE ENVIRONMENTAL MONITORING SYSTEM IN ALBANIA’
http://cemsaproject.net/project_information/project_steering_committee
23. Partner in the Project titled: “INDIGENOUS TRADITIONAL PLANTS FOR PREPARING ADDED VALUE NEW PRODUCTS WITH DIFFERENT APPLICATIONS”;
Acronym: BALKFITOPROD; Project ID: ERA 88; Funding including national funding and EC funding: Total costs: 210,000 € SEE-ERA.NET PLUS funding: 139,500 €; 2010 -2012;
<http://plus.see-era.net/pjc/fundedprojects88.html>
24. EU FP6 Project: “INTEGRATED SOLID WASTE MANAGEMENT IN ALBANIA AND BOSNIA-HERZEGOVINA (BiH); <http://www.mred.tuc.gr/projects/inswab/activities.htm> (Bulgaria, Italy, Slovenia, Croatia, and Montenegro)

25. National Programme for Research and Development titled: “Establishment of a research centre for exploiting agroforestral biomass residues for biogas and energy, and structure analysis of the process engineering in an experimental pilot plant”, Water and Energy National Projects 2010-2015, Coordinator

Memberships in foreign Scientific Associations

Member of the International Academy of Environmental Sciences

Vice President of Mediterranean Scientific Association of Environmental Protection (MESAEP) President of the Association of the Albanian Chemists

Member of the Society of the Protection of the Albanian Natural Environment

● **President of the Albanian Centre for the Balkan Environmental Association**

http://www.gen.teithe.gr/~bena/national_bureaus.htm

Member of the Association for the Industrial Ecology

Member of the Albanian Society for the Hydrogen Energy
Member of the National Council for the Accreditation
Member of the National Council of Metrology

- Reviewer of the The 16th World Multi-Conference on Systemics, Cybernetics and Informatics: WMSCI 2012 Orlando, Florida, USA; <http://www.iiis2012.org/wmsci/Website/PCReviewers.asp?vc=1>
www.iupac.org/news/archives/2001/Albania_ANAO.html

- **Member of the Union of the Pure and Applied Chemistry The International Executive Board of B.EN.A,**
Anëtar i Bordit Ekzekutiv Ndërkombëtar të BENA-s

International scientific committee of BENA, Anëtar i Këshillit Shkencor Ndërkombëtar të BENA-s

Member of the Committee of International Conference of South Eastern Countries Chemical Societies,

- **Observing Partner of European Technology Platform for Advanced Materials and Technologies**

- **FP7 National Contact Point;** <http://cordis.europa.eu/fetch?CALLER=FP7NCP&ACTION>
http://cordis.europa.eu/fp7/ncp_en.html

- **Chairman of the Advisory Board of the Albanian Accreditation Directorate (DA), from 2009**

EU-Balkan-FABNET: Member of Information Multipliers in the Western Balkan Countries; http://www.balkan-fabnet.eu/files/multipliers_country.html

Member of the European Federation for the Molecular and Chemical Sciences
